

**Remarks and Arguments:**

**In the Drawings**

Examiner writes that the replacement drawings submitted in the Applicant's reply filed on June 17, 2004 are not in strict compliance with the revised amendment practise; the replacement drawing sheets were not identified in the top margin as "Replacement Sheet". In response to the Examiner's requirement, Applicant submits a further set of formal drawings, which are identified as "replacement sheet".

For all of the reasons set out above, Applicant respectfully submits that the application as amended is in condition for allowance and action toward that goal is respectfully requested.

Should any further clarification be required kindly contact Applicant's agent at 416-862-5790.

Respectfully submitted,
